Grammar and Usage

Instructions:

Cut along the dotted lines of the mat pages and tape the mat together. Cut out the question pieces along the dotted lines and stack them facedown next to the mat. Use a penny or other small object as a marker and place it on the START space. Take a question piece from the top of the stack. Read the sentence and decide if the underlined word is a noun, a verb, an adjective, or an adverb. Then check the answer key. If you were correct, using a paper clip for a spinner "arrow," place the tip of a pencil in the paper clip and spin the paper clip. Move that many spaces along the game path. Keep playing until you reach the FINISH space, following any special instructions on the game path as you go.
