

Alphabet Gumballs Game!

Uppercase Letter Recognition

Instructions:

Cut along the dotted lines of the mat pages and tape the mat together. Invite your child to color the gumball tiles and the mat. Help your child cut out the gumball tiles along the dotted lines and lay them faceup on a flat surface. Prompt your child to choose a gumball tile and place it on the matching letter gumball in the gumball machine. Ask your child to say each letter as they place it on the mat. Keep playing until your child has matched all 26 letters!

Helpful Hint:

Before cutting out the gumballs, point to each letter and name it with your child.
