## How to Choose the Right Size Chairs

We've made it simple to find the perfect size chairs for your 21st-century classroom! Just check out our handy guide below for suggested chair heights for each grade level—and get the most out of your collaborative learning environments.

Grade Level	Chair Height
Kindergarten-Gr. 1	12" to 13 ½"
Gr. 2-3	13 ½" to 15 ½"
Gr. 4 & Up	15 ½" to 18"

**WOBBLE CHAIRS**  
These specially designed chairs are a great flexible seating option! Ideal for those who like to wiggle and wobble while they sit, each safe, stable chair has a rounded base that allows students a little movement—without tipping over! And the super-lightweight design makes the chairs easy for kids to pick up and carry anywhere in the room! Featuring FDA-approved antimicrobial protection, each rugged plastic chair has an 11"-diameter seat and comes in gray. Choose from the 3 heights listed below. Simple assembly.

## EE990X • VISUALIZE IT! PART-WHOLE CARDS - COMPLETE SET

Designed to jump-start math fluency, our part-whole cards help students visualize math problems—from addition and subtraction to place value and fractions! Each card features a kid-friendly bar model with a question mark representing the missing value. After children solve for the missing number, they simply flip the card over to check their answer! Perfect for small groups, math centers and independent practice, the complete set includes all 4 boxes listed at right, each with 100 double-sided cards in a sturdy box with tabbed dividers. Cards measure 4" x 6". **75.00**
